

Clementine

By Silver State fabrics

We would like to introduce our latest addition to our Silver State line of textiles, CLEMENTINE.

CLEMENTINE is a multi-purpose fabric that is excellent for: Top of the Bed, Upholstery, Drapery and Headboards. This great color pallet combines for both Classical and Modern Design settings. The added benefit of 50,000 double rubs makes it a durable fabric too.

The Linen Blend gives CLEMENTINE a rich, natural look and feel. A handsome fabric on its own or coordinates beautifully with other patterned items in a room. There are 22 gorgeous colors to ensure you find what you need for your project and comes in a 57" width. CLEMENTINE is Dry Clean Recommended.
