SilverState fabrics™ is proud to introduce its newest Sunbrella® launch, Artisan Tribe. Artfully designed and inspired by regions of North Africa, offering a refreshing color palette that includes solids, stripes, and intricate cultural motifs. It contains stylish geometric patterns that stem from architectural and tribal inspiration. Paramour has a harmonic paisley pattern with a soft ombre effect that heightens the elegance and luxury of the collection. Festival Stripe adds a modern twist with its colorful satin weave stripe that dramatically creates a 3D effect. The collection is easy to coordinate with all the solids and stripes to create an elegant and sophisticated look. Artisan tribe features 14 beautiful new patterns in 71 sku’s. These high performance fabrics are all fade, soil and stain resistant, and made from 100 percent Sunbrella® acrylic.

Sunbrella® fabric solutions for the home

Sunbrella is a trusted name in dependable, functional colorfast fabrics. From outdoor furniture and awnings to convertible tops, Sunbrella has been supplying the world with lasting fabrics for over 40 years. Now Sunbrella wants to share with you its unique and amazing qualities!

Sunbrella fabrics are made of durable, all-weather Sunbrella acrylic. Resulting in a quality fabric that obtains the following characteristics:

• feels soft and comfortable
• retains its color and strength
• withstands years of normal exposure to sunlight and rain
• resists mildew, rot, chlorine, and atmospheric chemicals
• cleans easily (see below)

CLEANING INSTRUCTIONS

Most stains on Sunbrella fabrics can be cleaned with mild soap and water solution, but here are some other options:

• Spot wash by sponging briskly with a solution of natural soap in lukewarm water.
• Rinse thoroughly with clean water to remove soap and air dry.
• For stubborn stains, use fabric spot remover. Follow the directions on the container.
• For removable cushion covers, machine wash in cold water with a mild soap, air dry.
• Sunbrella acrylic does not promote mildew growth. However, mildew may grow on dirt and other foreign substances that are not removed from the fabric. To clean mildew stains, prepare a mild solution of one cup bleach and two capfuls of natural soap per gallon of water. Spray on entire area and allow to soak in. If necessary, scrub vigorously with sponge or clean rag. Sponge thoroughly with clean water and air dry.
